#### A Business Administration.

With the election of the Citizens Ticket as nominated on last Tuesday night, the village PERDIDO-Entre Estancia y Willard, el of Estancia should be given a business administration, in every sense of the word. All the nominees for mayor and trustees are leading business men of Estancia who have proved successful in their busi ness, and no doubt will give the same close attention to the business of the village. This is especially desirable at this time, when the foundation is . to be laid for the future City of Estancia. A poor foundation would need constant repairing with little hopes of ever hav ing the superstructure a success. Let's be sure we're right and then go ahead. The News is of the opinion that we will make no mistake in voting the Citizens Ticket on the 28th.
